Dear Harold,

Enclosed is Robin Winks's Cloak & Gown, for as long as you need to read or study it.

Please give me the background again for that "Here's Harold Again" memo, written by.... Robert Wertig to whom?

Also, tell me again about the sketch of you on your wall, smoking a pipe.

It would be great to have copies of both the above items. If practical and simple to do.

All best regards,

Bill

P.S. How many editions of Post Mortem did you produce?

One more. Didn't you tell me on the phone when I first called you, that You had made some contact with Lyle Stuart?
